

Approved For Release 2005/04/22 : CIA-RDP85B00803R000100090142-8

NRO review(s) completed.

SATELLITE PROGRAM - CORONA *1006 14c* 9 Apr 1963 MFR

25X1

Recent CORONA take (#144) quality extremely high ~~xxxxxxx~~ and a number of targets of great intelligence interest were covered. Some coverage obtained on the Chinese missile test range from 144 which indicated no major changes from previous coverage.
